

Think Like A Winner

What are the traits that make one man a winner and another man a loser? The big difference is in how a man thinks. His attitude will govern his actions.

For instance...

- A winner is always ready to tackle something new... a loser is prone to believe it can't be done.
- A winner isn't afraid of competition... a loser excuses himself with the idea that the competition beat him out.
- A winner knows he's sometimes wrong and is willing to admit his mistakes... a loser can usually find someone to blame.
- A winner is challenged by a new problem... a loser doesn't want to face it.
- A winner is decisive... a loser frustrates himself with indecision.
- A winner realizes there is no time like the present to get a job done... a loser is prone to procrastinate with the hope that things will be better tomorrow.
- A winner thinks positively... acts positively... and lives positively... a loser usually has a negative attitude and a negative approach to everything.

So if you want to be a winner, think like a winner... act like a winner... and sooner than you think, you will be a winner.
